## If He Says So

Don't doubt your doctor. If you haven't perfect confidence in him, get another. If you have just the one you like, ask him this straight, plain question:

"What do you think of Ayer's Sarsaparilla?"

If he says it's good for tired people, good for purifying and enriching the blood, good for weak nerves, and good for building up the general health, then remember his advice.

Jacksonville, Fla., May 8.—The full meaning of the wifespread suffering in fackmonville was realized today when it that a great number of men who had never been used to manual labor were chamoring for work. Among them were sherks, collectors, bookkeepers and even professional men, three young physicians especially declaring their condition dosbutte, as they had lost wardrobes, libraries, office fixtures and everything in the fire. The department of labor has under-taken to give clerical employment to all Women and Children Were in of there applicants. The executive committee of the relief association arranged today to establish a sewing tent and 25 sewing machines were ordered. This will snahle the scamstrasses who have lost everything to get work again and they will relieve the condition of the fire suf-ferers who have lost all clothing but the clothes they are wearing.
A faundry wil lalso be erected and the
